# **SENATE BILL No. 154**

#### DIGEST OF INTRODUCED BILL

Citations Affected: IC 16-38-4.

**Synopsis:** Autism reporting. Requires a diagnosis of autism at any age to be reported to the birth problems registry. (Current law provides for the reporting of an autism diagnosis made before a child's fifth birthday.)

Effective: July 1, 2014.

# Head

January 8, 2014, read first time and referred to Committee on Health and Provider Services.

#### Second Regular Session 118th General Assembly (2014)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in this style type, and deletions will appear in this style type.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or *this style type* reconciles conflicts between statutes enacted by the 2013 Regular Session and 2013 First Regular Technical Session of the General Assembly.

### **SENATE BILL No. 154**

A BILL FOR AN ACT to amend the Indiana Code concerning health.

Be it enacted by the General Assembly of the State of Indiana:

1	SECTION 1. IC 16-38-4-1, AS AMENDED BY P.L.232-2013,
2	SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
3	JULY 1, 2014]: Sec. 1. As used in this chapter, "birth problems" means
4	one (1) or more of the following conditions:
5	(1) A structural deformation.

26 magayang imply dimplocal start leads a series of the last start and
resources, including local step ahead agencies and the infants ar
toddlers with disabilities program (IC 12-12.7-2); or
28 <b>(3) inform:</b>
29 (A) the individual with problems at any age; or
(B) the individual's parent;
at the time of diagnosis, if the individual's disorder is a
autism spectrum disorder, about physicians, care facilitie
and appropriate community resources, including local ste
ahead agencies and the infants and toddlers with disabilities
program (IC 12-12.7-2); or
36 (3) (4) inform citizens regarding programs designed to prevent
reduce birth problems.
(b) The state department shall record in the birth problems registr
(b) The same department shan record in the offth problems registr
(b) The state department shall record in the offth problems registred in the offth problems of children that at
(1) all data concerning birth problems of children that a

1	concerning a birth problem that is:
2	(A) designated in a rule adopted by the state department; and
2 3	(B) recognized:
4	(i) after the child is discharged from the hospital as a
5	newborn;
6	(ii) before the child is five (5) years of age if the child is
7	diagnosed with an autism spectrum disorder or a fetal
8	alcohol spectrum disorder; and
9	(iii) before the child is three (3) years of age for any
10	diagnosis not specified in item (ii); and
11	(iv) at any age if the individual is diagnosed with an
12	autism spectrum disorder.
13	(c) The state department shall:
14	(1) provide a physician and a local health department with
15	necessary forms for reporting under this chapter; and
16	(2) report in an electronic format under IC 5-14-6 to the
17	legislative council any birth problem trends that are identified
18	through the data collected under this chapter.
19	SECTION 3. IC 16-38-4-9, AS AMENDED BY P.L.232-2013,
20	SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
21	JULY 1, 2014]: Sec. 9. (a) Certified nurse midwives, certified direct
22	entry midwives, and individuals and entities described in section
23	7(a)(2) of this chapter shall report each confirmed case of a birth
24	problem that is recognized at the time of birth to the registry not later
25	than sixty (60) days after the birth. An individual or entity described in
26	section 7(a)(2) of this chapter who recognizes a birth problem in:
27	(1) a child after birth but before the child is five (5) years of age
28	if the child is diagnosed with a disorder other than an autism
29	spectrum disorder; and
30	(2) an individual at any age if the individual is diagnosed with
31	an autism spectrum disorder;
32	shall report the birth problem to the registry not later than sixty (60)
33	days after recognizing the birth problem. Information may be provided
34	to amend or clarify an earlier reported case.
35	(b) A person required to report information to the registry under this
36	section may use, when completing reports required by this chapter,
37	information submitted to any other public or private registry or required
38	to be filed with federal, state, or local agencies. However, the state
39	department may require additional, definitive information.
40	(c) Exchange of information between state department registries is
41	authorized. The state department may use information from another

registry administered by the state department. Information used from

42
